STOREFRONT PORTABLE SIGNS

Pursuant to Chapter 970 of the Sign Ordinance, storefront portable signs are subject to the following:

1. Prohibited within landscaped areas including and not limited to landscaped medians within the parking lot.
2. Storefront Portable Signs may *only* be located on the sidewalk directly in front of your business suite, or primary business entrance wall.
3. Signs shall be located and oriented on the sidewalk to comply with the minimum ADA clearance.
4. Sign orientation:
 - a. Sidewalks under 7-feet in width: parallel and adjacent to the front building wall of suite or building.

- b. Sidewalk 7-feet and larger in width: parallel or perpendicular to the building wall of suite or building. May be placed anywhere within sidewalk directly in front of business owners suite.
