

TO: Mayor and Town Council

FROM: Joseph A. Fivas, Town Manager

DATE: December 11, 2012

SUBJECT: Animal Enforcement Ordinance

Council Member Luther requested the draft Animal Enforcement Ordinance (Section 92) be placed on the agenda. The Public Safety Committee is recommending the attached draft of the Animal Enforcement Ordinance for the Town Council's consideration.

If this Ordinance is adopted, this Ordinance would repeal our current Animal Ordinance (Section 92) on the effective date of the newly adopted Animal Enforcement Ordinance.

Staff will give a comprehensive review of the Ordinance during the December 11th Council meeting.
