

MEMO

TO: Mayor and Town Council

FROM: Joseph A. Fivas

DATE: August 4, 2010

SUBJECT: Historical Overview of the Chestnut Connector

Town staff, Mayor Quinn, the Town of Stallings, and NCDOT has discussed over the last five months different options on being able to move forward with the Chestnut Connector street project. This project has evolved over the last several years, and I believe it would be prudent to have Town staff do a historical overview of the Project. After we do a historical overview of the Project, staff will update the Council on the discussions with the Town of Stallings. After considering these discussions, the Town Council may choose to give direction to Town staff, or request further information. We have attached a copy of the power point which will be presented at the meeting.
