DATE: January 6, 2011

SUBJECT: PARTF Grant for Community Park

On December 30, 2010, the Town closed the purchase of 304 Matthews-Indian Trail Rd, a 51 acre property designated to become a Community Park. The Town has been working on a PARTF grant to assist with the initial build-out of our first Community Park. Staff will request the Town Council approve this grant application. Due to the extensive process involved, we will not be providing the supporting documentation digitally until Monday, January 24th.
