SUBJECT: Council Questions for Board of County Commissioners

- 1) How can the Town of Indian Trail and the County bring better balance to residential vs. commercial tax base in Union County? For example: More visible marketing program? Partnering on economic development incentive programs? Partnering on transportation programs? Shop Union County programs? Establish a stronger Union County identity? Marketing our fantastic school system on a regional basis? Refocus the Partnership for Progress on more diverse projects?
- 2) How can the Town of Indian Trail and the County resolve our immense transportation infrastructure issues in Union County? Have a coordinated state/regional/federal lobby effort for all Union County Towns/Cities and Union County? Stand united on key economic development transportation projects? Union County should invest in critical economic development road/street infrastructure?
- 3) How can the Town of Indian Trail and the County make water and sewer available to critical commercial projects immediately and long term?
- 4) Indian Trail's community success is tied to the success of Union County and how we handle some of our short term and long term budget issues. What is the status of the Union County budget? What is the status of Union County school funding?
- 5) What are the next steps?
