

MEMO

TO: Mayor and Town Council

FROM: Joseph A. Fivas

DATE: September 23, 2010

SUBJECT: Large Park Purchase

In June, the Town Council requested that the Town Manager and Town Attorney begin contract negotiations with the owners of the parcel number 07-084-336 (Genwove). We are still engaged in that negotiation process.

This is an agenda item to clarify the Town's direction, and staff wants to seek direction from the Mayor and Town Council if they want us to consider any further properties for a large park in Indian Trail. Staff will present the same properties that were presented in June.
