

Town of Indian Trail

Memo

TO: Mayor and Town Council
FROM: Scott J. Kaufhold, P.E., Town Manager
DATE: June 28, 2016
SUBJECT: Ashe Croft Drainage Study

General Information:

Following Council direction, a drainage study was performed at the Ashe Croft Subdivision. Deliverables from the study include four (4) design alternatives, all of which have physical survey, drainage calculations, cost estimates & exhibits.

The four (4) alternatives range from slight modifications of the upstream detention and water quality structure to adding additional storm drainage pipe within the Ashe Croft Subdivision. Cost for the alternatives vary from \$5,900 to \$373,000.

Required Actions:

Council direction
