SUBJECT: Public Comments at the December 8, 2015 Town Council Meeting

Please note that an error occurred during the preparation of the December 8th Indian Trail Town Council Meeting in that I accidentally did not include a “Public Comments” section. As of now the agenda cannot be adjusted until Open Session of the Meeting during “Additions and Deletions”. Council will add a Public Comments section to the agenda during Additions and Deletions. I apologize for any confusion and/or inconvenience my error may have caused.
