Date: June 8, 2010
Re: MCA 2010-001 Chapter 60 Stormwater Control and Management

Project Summary: This is a request amend Chapter 60 of the Indian Trail Code of Ordinances in compliance with National Pollutant Discharge Elimination System (NPDES) permit requirements. Chapter 60 was approved on June 12, 2007, establishing the Town's Stormwater Utility Program to implement the mandated Phase II Stormwater requirements. The proposed amendment clarifies 1) terminology and definitions, illicit discharge/connection, role of the Town Engineer, and appeal process.

Town Council Action: Receive report and public testimony and:

1. Approve as presented; or
2. Approve with modifications; or
3. Continue requesting additional information; or
4. Disapprove the amendment.
