Welcome to the first publication of the IT Factor Update. In 2014, the Town of Indian Trail will continue to bring the latest information to its residents, and the IT Factor Update aims to keep Indian Trail residents informed of Town happenings between releases of the IT Factor newsletter.

Town Council Holds Strategic Planning Meeting

On Jan. 11, Indian Trail Town Council held a Strategic Planning Session to discuss the goals and visions it will set in order to guide Indian Trail in the future.

Town Council determined that a three-year strategic plan will help the Town to focus on its goals. The meeting's discussions included Council opinions on Indian Trail's current economic environment, the Town's strengths and the potential need to define Indian Trail's mission and values.

Town Council also discussed goals in regards to the Town's public safety, transportation, beautification and other residential services.

Town Council wants public input on this matter and encourages residents to reach out to the Town of Indian Trail's Communications Coordinator, Lindsey Edmonds, with their comments. Edmonds can be reached at 704-821-2542 or ledmonds@admin.indiantrail.org.

Family Sports Night at Carolina Courts on Feb. 7

The Town of Indian Trail is hosting a Family Sports Night at Carolina Courts on Feb. 7 from 6 p.m. to 8 p.m. All Indian Trail residents with a Resident Recreational Pass get in at no entry charge. Non-Indian Trail residents will have a \$5 entry fee. There will be activities for all ages, including basketball, volleyball, dodgeball and cornhole.

Carolina Courts is located at the corner of Matthews-Indian Trail Road and the new Chestnut Parkway.

To get a Resident Recreational Pass, Indian Trail residents must first confirm their residency with the Town as part of the registration process. This can be done by filling out a Resident Recreational Pass Application and returning the document to the Front Desk at the Indian Trail Administrative Building located at 130 Blythe Drive, Indian Trail, or emailing it to recreation@admin.indiantrail.org. Applications are available on Indian Trail's website or at the Town's Administrative Building.

Five-Year Transportation Plan Progress

At the Jan. 11 Strategic Planning Session, Town staff presented a draft five-year Transportation Plan, including updates on the Highway 74 intersections, Chestnut Parkway and Old Monroe Road.

A draft of the plan will be released this spring, and Town Council is seeking public input. Residents who would like to share suggestions or comments should contact the Town's Communications Coordinator, Lindsey Edmonds.
