

2016

The next Bulk & E-waste Curbside Collection

Green week recycling customers will be serviced the week of **October 10-14**

Orange week recycling customers will be service the week of **October 17-21**

Your items will be collected on your regularly scheduled recycling collection day only. You do not need to schedule your pick-up for this special service offered curbside three times each year. All items must be placed **curbside by 7 AM** of your regularly scheduled service day of your recycling week.

Frequently Asked Questions about the Service

- **What is bulk waste?** Bulk Waste refers to items too large to fit into your recycle or garbage carts such as appliances, furniture, or bicycles.
- **What is E-waste?** E-waste stands for electronic waste, and is anything with a computer circuit board such as a cell phone, computers, televisions, etc.
- **Can I place my bulk and e-waste out all week long?** No, collection will occur on your regularly scheduled recycle service day **only**.
- **How do I place these items curbside?** Bulk and E-Waste will be picked up in separate trucks therefore collection items must be separated accordingly. Your bulk and e-waste items should be placed a minimum of **2-feet** from your roll carts to prevent service interference with our automated collection trucks. Place all smaller loose items in a box or bag for easy pickup by the driver.
- **Do any items need special care?** Yes, all lawn and garden equipment must be emptied of gas and oil and grills must be without propane tanks to avoid possible fire hazards. Carpet should be cut in 4 ft or smaller lengths.
- **Does this collection service include hazardous materials such as paint?** No, prohibited items include: (Paint, tires or rims, batteries, construction material, hazardous waste or chemicals and similar items)

Contact the Union County landfill office at www.co.union.nc.LandfillSolidWaste or 704 233-5334 for hazardous material disposal recommendations.
