

MASTER SIGNAGE PROGRAM APPLICATION

The Town's Sign Ordinance requires a master sign program be submitted to the Town for developments containing more than one suite, building, or tenant. Within a development the coordination of styles and colors shall be utilized to insure continuity. A master sign plan shall be approved prior to the issuance of any sign permits within a multitenant property. Please refer to Division 9000 of the UDO or consult with Planning Staff before submitting this application to verify what types of signs are allowed based on the property's zoning.
